MEMORANDUM FOR : EO/DD/P

SUBJECT : Proposed Notice from SSA,
Subject: "Policy Regarding
Application of Annual Leave
when Travel is Conducted by
Privately-Owned Automobile
not to Exceed Cost by Common
Carrier."

I must agree with your viewpoint that the proposed notice is in many respects too lenient. As per our telephone conversation, I would suggest that we follow along the lines of the proposal for the first day of leave, but require that all travel involving more than this require specific approval for non-charge of leave.
